

Model # **YS15-SYNC-02**

- Features**
- Network via GSM
 - Desk or wall-mounted
 - Battery backup
 - Stand-alone

General Description

Key synchronization station suitable for high traffic use. May be wall-mounted, desk mounted on angled bracket, or as desktop box. Installation is stand-alone requiring only a 6-24V power source and usable wherever there is GSM coverage. Immediate visual feedback to user of key's synchronization and issue status via a scrolling display.

Warranty 1 year
